

JEFF HYER

Media Producer | Travel Content Creator |
Videographer | Author

ABOUT

Jeff is a multimedia producer who now hosts a nature and wildlife series across his social media platforms. His daily videos open a window to the natural world, inviting his audience to digitally experience and learn about remarkable wildlife species, conservation stories, and natural phenomena.

While actively producing content in the social media space, Jeff has proudly represented companies and meaningful brands that value sustainability for 4+ years.

Jeff's partnerships are focused on promoting honest, impactful, and eco-conscious brands in luxury or otherwise. His audience looks to him for choices in travel accessories and adventure-friendly fashion.
